The period of deputation to Orissa is very brief and will last only for 3 days. Further printed copies of the proceedings of the conference are likely to become available sometime after the end of the conference. In view of these considerations and the great need for economy, Education and Public Health may consider whether the ~~departure~~ deputation of a stenographer and a peon is necessary at all and if not to modify the draft suitably.

Subject to this ~~xxxxxx~~ suggestion, the draft may be accepted.

Peon may be taken , but ~~xxxxxxxxxxxxxx~~ there seems to be no need for stenographer.
